## Estimate of Curtailable Demand

May \_\_\_\_\_(MW)      June \_\_\_\_\_(MW)      July \_\_\_\_\_(MW)      August \_\_\_\_\_(MW)      September \_\_\_\_\_(MW)

*This value represents the approximate demand reduction that your site(s) will achieve during a curtailment. The actual Curtailable Demand as calculated per the Schedule MVER rider will be used to compute the applicable monthly credit.*

## Call Option Premium

May \_\_\_\_\_(\$/MW-month)  
June \_\_\_\_\_(\$/MW-month)  
July \_\_\_\_\_(\$/MW-month)  
August \_\_\_\_\_(\$/MW-month)  
September \_\_\_\_\_(\$/MW-month)

*This value is your company's bid for selling Entergy the right, but not the obligation, to curtail your site(s) load subject to the provisions of the Schedule MVER tariff. The Call Option Premium is credited for each of the **five** program months (May – September) and is applied to the calculated Curtailable Demand for each month.*

## Call Option Firm Contract Demand

May \_\_\_\_\_(MW)      June \_\_\_\_\_(MW)      July \_\_\_\_\_(MW)      August \_\_\_\_\_(MW)      September \_\_\_\_\_(MW)

*This value is your company's total demand across all participating sites that you exclude from being curtailed. During a curtailment, total demand across all participating sites must be at or below this value to avoid incurring a non-compliance penalty.*

### **Curtailment Notification Preference**

Select one of the following:

\_\_\_\_\_ Option A "**Day-Ahead Notice**"

\_\_\_\_\_ Option B "**Same-Day Notice**"

*This is the protocol by which Entergy will notify you that it is exercising its right to call for the curtailment of your curtailable demand.*
