Effective: March 31, 1997
Filed: March 14, 1997
Supersedes: Rider A-1 (Algiers)
filed 7/19/95

**THREE PHASE RESIDENTIAL AND FARM ELECTRIC SERVICE
RIDER SCHEDULE A-1 (Algiers)**

AVAILABILITY

At all points in the Fifteenth Ward of the City of New Orleans (Algiers), where three phase primary distribution facilities of 13,800 volts or less or three phase facilities of adequate capacity at utilization voltage are adjacent to the premises to be served, and service is taken according to the Service Standards and Service Regulations of the Company. Not available to customers not presently taking service under this schedule.

Where such three phase primary distribution facilities are not adjacent to the premises to be served and are needed, three phase service will be made available upon payment to Company by Customer of the amount of the additional cost of making such facilities available over the cost of making single phase primary distribution facilities available.

APPLICATION

To any Customer otherwise qualified to take service under the Residential and Farm Electric Service rate schedule available at the location, and who contracts for not less than 5 kW of billing Demand.

All provisions of the rate schedule with which this rider schedule is used will apply except as modified herein.

BILLING

The rate set forth under the Net Monthly Bill in the available rate schedule plus \$1.25 net each month.

Minimum:

\$6.17 plus any applicable adjustments.

CONTRACT PERIOD

Not less than one year.
