**THREE PHASE RESIDENTIAL AND FARM ELECTRIC SERVICE  
RIDER SCHEDULE A-8 (Algiers)**

**AVAILABILITY**

At all points in the Fifteenth Ward of the City of New Orleans (Algiers), where three phase primary distribution facilities of 13,800 volts or less or three phase facilities of adequate capacity at utilization voltage are adjacent to the premises to be served, and service is taken according to the Service Standards and Service Regulations of the Company.

Where such three phase primary distribution facilities are not adjacent to the premises to be served and are needed, three phase service will be made available upon payment to Company by Customer of the amount of the additional cost of making such facilities available over the cost of making single phase primary distribution facilities available. In lieu of such payment, Company may, at its option require a facilities charge.

**APPLICATION**

To any Customer otherwise qualified to take service under the Residential and Farm Electric Service rate schedule available at the location, and requires three phase service for motors as provided in the Service Standards of the Company.

All provisions of the rate schedule with which this Rider Schedule is used will apply except as modified herein.

**BILLING**

The rate set forth under the Net Monthly Bill in the available rate schedule plus \$10.00 net each month.

Minimum:

\$14.92 plus any applicable adjustments.

**CONTRACT PERIOD**

The contract shall be for a minimum period of one year and, at Company's option, may be longer to justify the investment in electric facilities.
