Effective: November 13, 1978

Filed: November 9, 1978

Supersedes: Rider E (Algiers)

**LARGE SEASONAL LOADS
RIDER SCHEDULE E-1 (Algiers)**

AVAILABILITY

At all points in the Fifteenth Ward of the City of New Orleans (Algiers), where facilities of adequate capacity and suitable phase and voltage are adjacent to the premises to be served, and service is taken according to the Service Standards and Service Regulations of the Company.

APPLICATION

To any industrial Customer served under the Large General Electric Service rate schedule, whose electric service requirements occur predominately during Company's off-peak season and who contracts for service in sufficient quantity and for a sufficient period of time, in accordance with the Company's line extension plan, to justify the Company in installing its service facilities and leaving them in place from season to season.

Not applicable to short term, temporary breakdown, standby, or supplementary service.

All provisions of the rate schedule with which this rider schedule is used will apply except as modified herein.

BILLING

Net Monthly Bill will be the same as computed under the Large General Electric Service rate schedule, except that in the billing months of May through October it may, if it is cheaper, be an amount computed for the Demand during the current month with all energy used during the current month billed at the unit price per kilowatt-hour in the initial block of the energy charges in such rate schedule, subject to the following conditions:

That the Monthly Minimum shall be the same as under the Large General Electric Service rate schedule, provided however, that such Minimum shall not be more in any month billed at the foregoing option than an amount sufficient to make the total charges for the twelve months ending with the current month equal to twelve times the minimum otherwise effective for such current month.

CONTRACT PERIOD

As specified in Customer's Electric Service Agreement.
