**WATER HEATING AND SPACE HEATING  
COMMERCIAL AND GENERAL SERVICE  
RATE SCHEDULE WSHS-12A  
Code #21 (Algiers)**

**AVAILABILITY**

At all points in the Fifteenth Ward of the City of New Orleans (Algiers), where facilities of adequate capacity and suitable phase and voltage are adjacent to the premises to be served, and service is taken according to the Service Standards and Service Regulations of the Company. Not available to customers not presently taking service under this rate schedule.

**APPLICATION**

This rate schedule is applicable to electric service for water heating and/or comfort space heating, where all electric service required by the Customer on the premises is supplied by Company and where wiring is separated in approved conduits from Customer's other requirements and separately metered at one point of delivery. Service under this schedule shall be used only for water heating and/or comfort space heating and shall not be resold, sub-metered, used for standby or temporary service, or shared with others.

Water Heating: All water heaters shall be permanently connected and in regular use and the water heater shall not be less than thirty gallons.

Space Heating: This schedule shall apply only to electric resistance comfort heating that is permanently connected and in regular use.

**TYPE OF SERVICE**

Alternating current, 60 cycles, single or three phase service at one standard voltage of 208 volts or higher as provided for Customer's other electric service requirements at the same point of delivery.

**NET MONTHLY BILL**

Rate:

4.58¢ per kWh for the first 1,250 kWh or up to 50 kWh  
per kW of Demand, whichever is greater  
4.41¢ per kWh for all additional kWh

Minimum:

The minimum monthly bill shall not be less than \$3.54 per kW of the highest Demand established in the billing month of June, July, August, or September during the twelve months ending with the current month. The minimum annual bill shall not be less than \$10.62 per kW of the highest Demand established in any month during the twelve months ending with the current month. The monthly minimum shall not be less than \$9.50 per month when a water heater is connected.

(Continued on reverse side)

Adjustments:

First - Plus or minus the applicable proportionate part of any directly allocable tax, impost or assessment imposed or reduced by any governmental authority after the effective date of this schedule, which is assessed or levied against the Company or directly affects the Company's cost of operation and which the Company is legally obligated to pay on the basis of meters, customers, or rates of, or revenue from electric power and energy or service sold, or on the volume of energy generated, transmitted, purchased for sale, or sold, or on any other basis where direct allocation is possible.

Second - Plus .001 cent per kWh used during the month for each .001 cent of the average fuel cost per kWh as delivered to Company's customers during the second preceding calendar month, adjusted for any over or under collection.

**DEMAND**

The maximum kW registered during the current month by a demand meter suitable for measuring the Demand used during a 15-minute interval.

**PAYMENT**

The Net Monthly Bill is due and payable each month. If not paid within twenty days from the date of billing, the Gross Monthly Bill, which is the Net Monthly Bill plus 5%, becomes due after the Gross Due Date shown on the bill.

**CONTRACT PERIOD**

Not less than one year.

**QUALIFICATION OF CUSTOMER'S INSTALLATION**

To qualify for this rate schedule, Customer's installation must be approved by the Company. Customer's equipment should meet Company's recommendations as to sizes and types of heating and water heating equipment and applicable accessories. Lighting shall not be served under this rate schedule whether or not it is considered as a part of the comfort space heating. Company shall have the right to make periodic inspections of heating and water heating installations in order to determine if the equipment conforms to the applicable provisions of this rate schedule. Company reserves the right to discontinue service under this rate schedule if equipment does not conform to the applicable provisions of this rate schedule.

It shall be the responsibility of the Customer to notify the Company immediately of any changes in his space heating or water heating equipment.
