SCHEDULE EEDR-WAP

**EXPERIMENTAL ECONOMIC DEVELOPMENT RIDER
FOR WATER AMUSEMENT PARKS**

I. AVAILABILITY

This rider is available to customers who contract for firm service under the Company's General Service Rate Schedule for no less than 1,000 kW, who have an established operating season annually and who meet the following criteria:

- A. Customer's enterprise is commercial and is classified as Standard Industrial Classification ("SIC") code 7996 or enterprises that the Company deems sufficiently similar;
- B. Customer takes service under the Company's General Service Rate Schedule; and
- C. Customer's primary business on the premises is a water amusement park.

This Rider is not available for temporary service for construction.

The Company reserves the right to modify or discontinue this Rider at any time, subject to the appropriate Louisiana Public Service Commission approval.

II. MODIFICATIONS TO THE GENERAL SERVICE RATE SCHEDULE

§ V.B of the General Service Rate Schedule will be modified to read as follows:

- B. 25% of the first 250 kW of Contract Power plus 50% of all additional kW of Contract Power as defined in § VI below, or

§ V.B.(i) of the General Service Rate Schedule will be modified to read as follows:

- (i) 30% of the Highest Contract Power, or

All other charges and/or provisions of the General Service rate schedule will remain unchanged.

III. CONDITIONS OF SERVICE

Prior to service being rendered under this Rider, Customer will provide written attestation to the Company that the criteria listed in § I above are true and correct for the Customer.

Final determination as to Customer's qualifications to receive service under this rider will be made solely by the Company.

IV. CONTRACT TERM

Service under this Rider requires a minimum contract term of three years.
