
RIDER FOR STREET LIGHT POLE SERVICE

I. APPLICABILITY

This rider is applicable under the regular terms and conditions of the Company to Customers served under any electric rate schedule in a subdivision when the municipality, state government, federal government or any agency thereof (collectively "Agency") contracts to pay under standard street lighting rates for all street lighting service except pole charges for the affected services. This Rider for Street Light Pole Service, Schedule SLPS, ("SLPS") applies in existing subdivisions newly annexed to corporate limits where Rider for Street Lighting Service, Schedule RLU ("RLU") has been previously established and billed to electric service customers, and in new subdivisions within corporate limits where RLU service has not been previously established. Customers located in such subdivisions shall pay a monthly pole charge pursuant to SLPS for the appropriate pole type and number of customers per pole. For multi-family apartment complexes within such subdivisions, the number of Customers will be determined by the number of lots the complex contains.

II. MODIFICATION OF REGULAR RATE SCHEDULE

All the provisions of the rate schedule under which the customer receives electric service shall apply. Additionally, when an Agency contracts to pay for all street lighting service for the affected services, except pole charges, pursuant to Company's High Pressure Sodium Vapor Street Lighting Service Rate Schedule HPSV, the Company will also bill the appropriate pole charge specified below to the customer.

A. Standard Poles

When street lights are installed on standard wood or fiberglass poles, other than Company's existing distribution poles, for which the Company did not receive a contribution, the Monthly Charge is as follows:

<u>Number of Customers Per Street light</u>	<u>Monthly Charge</u>
4 or more Customers	\$1.37
3 Customers	\$1.83
2 Customers	\$2.74
1 Customer	\$5.49

B. Non-standard Poles

When streetlights are installed on Company-approved non-standard metal, fiberglass, or concrete poles for which the Company did not receive a contribution, the Monthly Charge is as follows:

<u>Number of Customers Per Street light</u>	<u>Monthly Charge</u>
4 or more Customers	\$4.07
3 Customers	\$5.43
2 Customers	\$8.14
1 Customer	\$16.29

III. GENERAL PROVISIONS

Where additional facilities are required above those set forth above, the contracting party (developer, property owners association, etc.) will pay in advance of installation the estimated cost of such facilities.
